QUESTION 5

Fairpoint Ltd is a retail trading company in Ghana. Nana Yaa Dufie (member of ICAG) is the finance director and has been in this role for many years. Fairpoint Ltd has a year-end of 30th June each year. Nana Yaa Dufie is finalizing the financial statements for the year ended 30th June, 2019.

On one hand, the warehouse manager of Fairpoint Ltd has recently advised Nana Yaa Dufie of a significant level of slow moving inventory, and that the inventory in question is now more than seven months old and per the company policy would usually have been written down some months previously.

On the other hand, the shareholders of Fairpoint Ltd are trying to sell the company, and the Chief Executive Officer (CEO) who happens to be the majority shareholder of Fairpoint Ltd. has told Nana Yaa Dufie that it is not necessary to write down the inventory values in the yearend financial statements.

Nana Yaa Dufie is sure that the CEO wants the financial statements to carry an inflated inventory valuation because he has found a prospective buyer for the company. The CEO has indicated to Nana Yaa Dufie that, if the proposed deal is indeed successful, all employees will keep their jobs (including Nana Yaa Dufie) and the finance director (Nana Yaa Dufie) will receive a pay rise.

Required:

Explain how the finance director could potentially act in order not to breach the fundamental principles of the IFAC's code of ethics.
