- A. Keyboard
- B. Monitor
- C. Mouse
- D. Windows

17. All the following devices can be used to input data into the computer except

- A. Scanner
- B. Speaker
- C. Microphone
- D. Bar code reader

18. Which of the following units of measurement is the biggest?

- A. Byte
- B. Gigabyte
- C. Megabyte
- D. Kilobyte

19. The first program that must install on any computer is the _____

- A. operation software
- B. Microsoft office
- C. PowerPoint
- D. operating system

20. Computer keyboard is considered more important than the mouse because

- A. The keyboard is bigger than the mouse
- B. The mouse easily damage
- C. The keyboard can perform functions of the mouse in addition
- D. The mouse do not contain alphanumeric characters.

21. The steps that data go through to become information are

- A. information steps.
- B. information stages
- C. information processing cycle
- D. information distribution

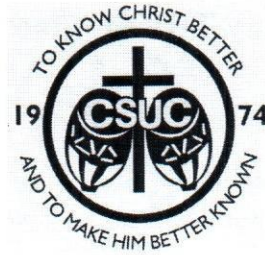

22. The most powerful, expensive and fastest computer, capable of processing more than one quadrillion instructions in a single second is the _____

- A. Mainframe computer
- B. Workstation
- C. Super Computer
- D. Mini Computer

23. A box-like case or container that contains electronic components of the computer is:
- Central Processing Unit (CPU)
 - System Box (SB)
 - Clock Unit (CU)
 - System Unit (SU)
24. External hardware components are plugged into the computer through:
- wholes
 - slots
 - ports
 - pins
25. Files displayed on the desktop of a computer is technically known as:
- Hardware
 - Hardcopy
 - Software
 - Softcopy
26. After church, a member decided copy the sermon home, which of the following storage devices would you recommend to be used?
- Random Access Memory (RAM)
 - Pen drive
 - Hard disk
 - Digital Versatile Disc (DVD)
- I and III only
 - II, III and IV only
 - II and IV only
 - I, II, III and IV
27. The horizontal bar that normally lies at the bottom of a computer desktop screen is called _____
- taskbar
 - start button
 - horizontal ruler
 - quick launch toolbar
28. Large format printing is done by:
- printers
 - scanners
 - photocopiers
 - plotters
29. The act of pressing the left mouse button twice is known as:
- Clicking
 - Dragging
 - Dropping
 - Double clicking
30. Windows media player, Encarta and Games are all examples of:
- Application software
 - System software
 - Operating software
 - Machine software
31. The software which consists of the background programs that control the entire operations of the computer and its devices and allows user to use the computer is known as:
- Application software
 - System software
 - Operating System
 - Machine software
32. The clock and calendar of the computer can be located at the _____ of the desktop.
- Lower left corner
 - Upper left corner
 - Upper right corner
 - Lower right corner
33. Anything (living or non-living) that could affect the smooth operation of the computer system is considered as:
- Virus
 - Threat
 - Hacking
 - Cracking
